IMPORTANT INFO

To set up your existing logo for embroidery there is a one off charge of £30 (ex vat) With all workwear ordered from us we offer a free embroidery service — this applies to embroidery up to 7000 stitches & for anything larger there will be an oversize embroidery charge which we will confirm. We are happy to order sample garments for you, these will be invoiced at the price shown in the work wear catalogue and can be refunded if they are returned within 14 days in good condition. Please note we are unable to accept returns on garments which have had logos applied. We are very proud of our work wear and use examples we have worked on in our advertising. Please let us know if you would prefer us not to use yours. If we don't hear from you we will assume you are happy for us to do this. We can arrange for your order to be delivered directly to you for £15 (ex vat) Turnaround times are usually 2 weeks providing garments are in stock with our supplier, though this can vary at busy times. We will do our best to keep you updated with the process of your order. Text shown in our standard font list below doesn't incur a set up charge.
